Take a peek behind the scenes
with 3 homeschooling moms
who use essential oils with
their families!

Hosted By:
Carisa from 1+1+1=1,
Jolanthe from Homeschool Creations,
& Jodi from JodiMcKenna.com

Thanks for joining us on this journey! We are happy to have you!

Are your kids perfect? No?! Great! Ours aren't either, but we have found some awesome ways to support the kiddos in our lives and are excited to share with you.

We tried to anticipate every question and need you'll have along the next couple of weeks, so we created a **note taking guide**, print as many copies as you need for the different Facebook events. You'll find a half sheet and a full sheet – for those of you who like lots of note-taking room!

For you planners, we've created a **schedule** of the upcoming events so you can be prepared and mark your calendar.

A **product list** is also included, featuring the main products YL carries for kids, so you can visualize what's on your wishlist. We will also be sharing many ideas outside of those, which is why there is a blank wishlist on the note-taking guide! Each event will have a new product list featuring the items we share about, making it very easy for you to remember what you want to try!

See the next page for all of the ways to **connect** with the three of us on social media because we'd love to connect with you!

Thanks again for joining us!
